

CORPORATE MEMBERSHIP AND SPONSORSHIP PROGRAM 2022-2023

Public libraries are more than books. They are critical community resources that are proven to change individual lives for the better and improve the community as a whole.

The Friends of the Roseville Public Library provide funding every year for hundreds of hours of programming which is available to the Roseville community at little or no cost, including the annual Summer Reading Program.

Since 2020, support from sponsors like you have helped add an online tutoring program, online access to regional and national newspapers, Vox Books, and a new streaming service with a wide selection of movies, children's shows, and documentaries--all free to our community with a library card!

Starting at **as little as \$150 per year** for a Gold level membership, your business can show your support for the Roseville Public Library by helping us continue to bring these amazing services to our community.

Or, if you would like more exposure and want to fund your own program or sponsor one of these programs yourself, we have a number of program sponsorship options available to meet your needs.
